

# FIVE YEAR GUARANTEE

## PLAYTILE ILP20-ILP110

ISLAND LEISURE PRODUCTS LTD guarantee that all new Playtiles leaving our factories have been manufactured to the same density and composition of raw materials as the original samples tested to BS7188 and EN1177.

Playtiles are guaranteed to be at least 1000mm<sup>2</sup> when new and within +/-2mm thickness tolerance.

Playtiles are guaranteed against faulty raw materials and defective workmanship only for a period of five years under the following schedule:

First Twelve Month Period	: 100% of tile cost, carriage and installation
Second Twelve Month Period	: 75% of tile cost only
Third Twelve Month Period	: 50% of tile cost only
Fourth Twelve Month Period	: 25% of tile cost only
Fifth Twelve Month Period	: 15% of tile cost only

This guarantee is invalidated if :

**Playtiles** are not installed to our installation instructions and maintained to the recommendations of EN1176-7 and our own CARE GUIDELINES.  
Evidence of the date of purchase and the relevant invoice cannot be produced.  
Coloured SBR standard **Playtiles** have discoloured due to being laid on an insufficiently cured concrete sub-base.  
Solvents, oil-based or petroleum chemicals have been used on the **Playtiles**.

Please note the following exclusions to this guarantee:

Vandalism, mistreatment during use, installation or in transportation  
The lifting of tiles after adhesion to a sub-base  
Fair wear and tear  
Damage by mechanical machinery  
Carbon black release  
Shrinking and curling due to incorrect installation  
Colour fading by ultra-violet light  
Colour fading or erosion due to excessive wear i.e. around swings and roundabouts

Issue No. 07  
1<sup>st</sup> November 2003
